PAYMENT AGREEMENT

This Contract is entered on this date:

Today's Date ____ / ____ / ____

I understand that the minimum training deposit is 50% to be paid up front.

I understand that cancellation of this agreement, before the agreed upon start date, results in forfeiture of my deposit in accordance with Tactical K9, LLC policy.

If choosing to utilize the payment plan option through Tactical K9, LLC, I agree to pay 50% of the balance upfront at the time of training and the remaining 50% is to be paid in ____ payments split every ____ weeks from the initial invoice date.

In order to authorize Tactical K9, LLC to automatically debit/charge the provided card an Automatic Card Charge Authorization Contract Form will be emailed to you. We will need a printed signed copy of this form for our records.

Payment in full is required for an immediate start date for any program pending availability.

Clients on the Payment Plan will NOT be scheduled until 50% of the program is PAID. Future dates cannot be reserved for In-Person or Day Training Program. Future dates can be reserved for Board & Train programs but must be paid in full 1 week before ending program.

All In-Person, Board & Train, Puppy Board & Train, Or Day Training Programs

50% of the total program cost is immediately Non-Refundable.

100% of the total program cost is Non-Refundable after your start is scheduled and confirmed.

Cancellations made less than 72 hours before the scheduled time means forfeiture of that week's lesson. Tactical K9, LLC is aware that due to unforeseen circumstances this may not always be applicable and credits each client with one free cancellation for each program that is purchased.

The 'free cancellation' does NOT apply to cancellations made within 5 hours of the appointment time as time is needed to adjust the calendar.

Excessive or repeated cancellations/reschedules may lead to the scheduled time being forfeited. There are no refunds in accordance with Tactical K9, LLC refund policy.

You are given priority over a time for the length of the program purchased plus an additional week. For example, if you purchase a 6-Week program and choose 7 pm on Wednesdays, that time is yours for 7 weeks from the start date, but should cancellations lead to the length of time being longer than 7 weeks, you then lose priority, and that time may be given to someone else. This helps your trainer's schedule from getting backed up. You do not lose the classes. However, should you choose to cancel your program due to the time being forfeited, there are no refunds.

If payments are not made as scheduled I understand Tactical K9, LLC and its trainers reserve the right to not show until the balance has been paid. Should a class or classes fall between this time, the class or classes are considered forfeited and are not discounted from the program price.

Late Fee Policy

All payments are due upon receipt. In the event that payments are not received the following late fees will apply:

1. A late fee of \$100.00 will be applied to each invoice after a 5-day grace period of the contractual invoice.
2. An additional \$75.00 will be applied after each 15th day thereafter.
 - a. i.e. – 15 days late = \$75; 30 days late = an additional \$75, and so forth.
